RULES AND REGULATIONS

The school reserves the right to refuse admission without assigning any reason to do so. The amount deposit towards registration and admission for a particular year will neither be refundable nor transferable to any other year. Fresh registration will be required if a child is to be given admission for subsequent year.

Children who rejoin the school late after the vacations, by more than a week without prior intimation by the parents/guardian, will be struck off the school rolls. Fresh admission has to be sought in such cases. However, on medical grounds, once the school has been informed by the parents/guardian and a medical certificate produced at the time of rejoining, the above rule will not apply.

Admission and further continuance of a child to the +2 stage will depend on the vacancies, the child's academic performance in the 10th Board Examination and his/her general discipline. The right of offering admission to the +2 stage resets solely with the Principal. Every endeavor is made by the school to help children improve their performance and a reasonable progress is possible with the child's co-operation. Should a child consistently exhibit poor results, he/she may be denied admission in the next session.

A parent whose child has failed to make the grade for promotion to the next class, may be asked to withdraw the child from the school.

Any child leaving the school campus without the permission of the Principal will do so at the risk and responsibility of parent and the name of the child will be struck off the rolls of the school.

Re-admission will have to be sought in such a case.

A continuous effort is made to instill high moral qualities in a child but should any student persist with anti-social activities he/she will be liable for strict disciplinary action including suspension or expulsion from the school.

A child involved in any immoral act liable to be expelled from the school without any warning and there will be no reconsideration whatsoever. The children are not permitted to possess any vulgar reading/viewing material. If found he/she is liable for expulsion from the school.

Intoxication of any kind is not permitted on the school campus. Any child indulging in smoking, drinking or using drugs shall be immediately expelled from the school.

The school reserves the right to ask a student to leave on disciplinary grounds. The Principal's decision in this regard, will be final. In the event of the above, the parents/guardian will have to collect the ward immediately or otherwise the student will be escorted to parent/guardian's residence by a member of the school staff, in which case the travel expenses of the student and escort will be borne by the parents. There will be no refund of fees in case where the child has been expelled or his withdrawal has been requested for, on disciplinary grounds.

Parents are advised to please inform the school immediately of any change in address or telephone numbers as this becomes crucial in emergencies.

The school management reserves the right to change, amend, add or delete any or all of the above rules regulations, at any time without giving any notice whatsoever.
