The amount deposit towards registration and admission for a particular year will neither be refundable nor transferable to any other year. Fresh registration will be required if a child is to be given admission for subsequent year.

Children who rejoin the school late after the vacations, by more than a week without prior intimation by the parents/guardian, will be struck off the school rolls. Fresh admission has to be sought in such cases. However, on medical grounds, once the school has been informed by the parents/guardian and a medical certificate produced at the time of rejoining, the above rule will not apply.

Admission and further continuance of a child to the +2 stage will depend on the vacancies, the child's academic performance in the 10th Board Examination and his/her general discipline. The right of offering admission to the +2 stage resets solely with the Principal. Every endeavor is made by the school to help children improve their performance and a reasonable progress is possible with the child's co-operation. Should a child consistently exhibit poor results, he/she may be denied admission in the next session.

A parent whose child has failed to make the grade for promotion to the next class, may be asked to withdraw the child from the school.
