Subject:-

Regarding building safety certificate.

It is to inform you that as per the Structural/ Working drawing of above School Building has not been constructed under the supervision of this department, besides to it no detailed structural design calculation and analysis were made available for seismic or non seismic condition by the school authority to check the safety of building. However, on visual inspection conducted by the Assistant Engineer Chakkar Sub-Division H.P.PWD. Chakkar and further reported by him, the building seems to be safe in normal condition to run the School Building for the academic year 2022-23 with the following terms and conditions:-

- 1 This certificate stands to be cancelled if any additions / alteration are made to school building as per submitted architectural drawing or any other load is increased on building.
- 2 This department holds no responsibility regarding safety of building during natural calamity i.e. earthquake, cloud burst, floods, unequal settlement etc.
- 3 The maintenance of the building is to be carried out properly.

Encl:-As above
